## RENEW & REFRESH

Well, it's January 2019! Can you believe it?! There's a lot to be said for an arbitrary date on the calendar that invites us to look at our lives and hit the metaphoric \*refresh\* button. However, Evergreen Club members know that *people are evergreen*. Since its founding in 1982, the club has upheld the idea that no matter how many years have passed, people are good, enduring, ever-active, alert, unselfish, productive, intelligent, and contributing. Our club is a community of people who, through enriching travel and wonderful interactions with new friends, have invigorated minds and meaningful experiences... expressing these qualities continually like an evergreen tree that always sends out beautiful new growth. We don't need a special time of year to acknowledge this; it's lived out in daily activities and in every host / guest interaction.

## POTLUCK PROMO

**Valentine's Potluck Promo**  
Here's a great opportunity to share the love this Valentine's Day:  
**Host** a potluck at your home for fellow Evergreeners & interested friends in your area by the end of February and **get 4 free months** added to your membership! Just take a group photo at the party and email it to [info@evergreenclub.com](mailto:info@evergreenclub.com). Please list the names of those members in attendance in your email. This is not only rewarding; it's a great way to make friends! Especially if you're flying solo these days -- go ahead! Reach out. Don't be shy... you can be the one to be proactive and inclusive. Have fun!

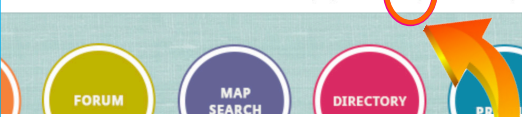

### Honoring Great Travelers **CHARLES LINDBERGH**

Charles Augustus Lindbergh, nicknamed by the press "Lucky Lindy", was the first person to fly solo non-stop across the Atlantic Ocean in 1927. Lindbergh had never flown over open water before, yet he successfully navigated the 3,600-mile crossing with no navigational equipment! He flew straight from Roosevelt Field in Long Island to Dingle Bay Ireland, then on to an airstrip just north of Paris France exactly as planned. The historic landing strip where The Spirit of St. Louis touched down is a mere 13 miles from a current Evergreen Club member's host home. Whether you are traveling solo like Lindbergh (\$15/night) or as a couple (\$20/night), you can find Evergreen Club members in Long Island, Ireland, and France.

MAKE FRIENDS. HOST WELL. TRAVEL SAVVY.
