VIRTUAL TRAVEL EXPERIENCE (VTE)

Travel might be down but Evergreeners are still going places. We had a hugely successful first Virtual Travel Experience (VTE) online via Zoom video call. It was a blast!

What did we do? We got to know each other, learned some about using Zoom, had a tour of an Evergreener's Texas backyard, and had a Texas photo slideshow. The coolest thing was to see members recognize each other! It was like a big friend reunion!

Who's next? You could be a featured Evergreener and show us around your neck of the woods! Interested? Email info@evergreenclub.com if you'd like to share. This upcoming Sunday will focus on how Evergreeners supported a member on his adventure. Hear his story and get inspired to help another member make their adventure come true!

What to expect: We will host a VTE call every Sunday and we hope you'll join. The social aspect of our club - the community and friendships - is really what makes the Evergreen Club stand out from the others. And it's these wonderful interactions between club members that make this a truly unique network of friends who love to travel. So lets enjoy this time to really get to know each other -- online for now.

Watch for the next email link March 29th at 6:40 PM EDT.

This is what the Zoom video call looks like. Cool, right?
