WEATHER CHECK

Are you traveling soon? Be sure to check local weather conditions and/or situations before traveling to your destination. A host may be pre-occupied with emergency conditions like flooding, wild fires, etc and not think to call.

It's always a good idea to call your host 2-3 days before your arrival to confirm the details.

NON-MEMBER TRAVEL BUDDIES

Trips are more fun with a friend. Have a trip coming up and think you might want a companion? **Guess what?** You can travel with a friend that's not a member! Just let your host know. If you have a friend that would love Evergreen, invite them to join you. Experiencing Evergreen is the best way to get people to join.
