What a fun filled three days we spent with Arlene and Morf. They were GREAT hosts and their lakeside home was a pleasure to stay at. Listening to the water lap on the shore at night was so peaceful and relaxing, the boat ride on Black Lake was an added bonus. Hope to repay with a boat ride on Table Rock Lake some time soon. Thanks again Gene & Barb

We spent 3 wonderful days with Glinda and Gene in late Aug. 2018. Had a great time with them and their area of Michigan. Shared many interesting places to visit and eat. Enjoyed our time visiting and sharing our Evergreen stories. Hope they make it to SW Missouri soon so we can repay their hospitality. Thanks

TAKE A SMALL TRIP ...Austin, TX...

If you're near Austin, TX at this time of year, be sure to go see the bats! **1.5 million** Mexican Free Tailed bats live under the Congress Ave. bridge in downtown Austin. Promptly at sunset during the warm months, all the bats fly out from under the bridge to eat their weight in mosquitos! Aren't we grateful for them! Stand on the bridge or rent kayaks for a unique perspective.

Mexican Free-tailed Bat (Brazilian Free-tailed Bat)

wingspan is about 11" across
